The Government lost the test case in the lower courts, in its suit against the Minehill and Schuykill Haven railroad, which leases its entire property to the Reading railroad for \$252,000 a year, both roads escaping payment of the corporation tax. The decision today affects many similar railroad leaces. Justices Hughes. Lamar, and Day dissented from the majority decision.

### Asks \$412,000 for Ambassadors' Homes

Homes for American ambassadors in five foreign capitals, to be furnished by the Government, were provided in a bill introduced today by Congressman Henry of Texas. For the leasing or acquirement of the residences Henry proposed an expenditure of \$188,000. He suggested that \$412,000 be expended in furnishing them. In presenting the bill, Henry declared it was drawn to enable American representatives abroad to maintain the scale of living demanded by the increasity that appointees to the great diplomatic posts be wealthy men.

### LEARN THE SECRET OF KEEPING YOUNG

for Stomach Ills.

Do you want to be comfortable and happy until a ripe old age? Do you want to learn the secret of looking and feeling young? It is not much of a secret after all—just give a little more thought to the care of your digestive

organs.

Nearly all the diseases affecting mankind have their origin in the stomach and bowels. It is what you eat that causes most of your discomforts.

If you overload the stomach, or take food that does not agree—kicks back, as it were—trouble is indicated by head-ache, dizziness, sour stomach, gastritis, ache, dizziness, sour stomach, gastritis, and other symptoms of indigestion. Then it is that you should take Mi-o-nathe specific for out-of-order stomachs. Old age is a general wearing out process. It starts when you over-tax or impose on the digestive system. If the stomach and bowels are not right they cannot properly digest your food and you are improperly nourished.

Your resistance is low. You are lacking in vitality when not properly nourished—disease may find you an easy prey. Resistance must be kept up to normal if old age does not appear before its time.
